kedawung setia COLOURING THE KITCHEN

The art of cooking has been known by us from many generations. However, in order to create the perfect piece of art needs the perfect tools. This is where most of us tend to put less attention to.

This is the reason of Kedawung Setia existence. For years we have been putting our effort in making the best tool for everyone's cooking skill. Enamel cookware does not only perfect everyone's art of cooking but also bring colors to it.

Kedawung Setia has been trusted for over three decades for its legacy of style and quality, trusted by those who want only the best for their kitchens, trusted by those who enjoy cooking.

With this, we would like to present you our latest collections for your modern lifestyle.

Why enamel?

1. Enamel ensures the safety of its materials; guarantees no chemical reactions with foods.
2. Enamel is colorful, long lasting enamel on steel and guaranteed not to fade.
3. Enamel is scratch proof, oven friendly, hygienic, and easy to clean.
4. Enamel is ideal for all stove tops, including magnetic induction as well as for freezer, oven and dishwasher safe.
